

YOU ALREADY HAVE IT!

“Thus the heavens and the earth, and all the host of them, were finished. And on the seventh day God ended His work which He had done, and He rested on the seventh day from all His work which He had done.” (Genesis 2:1-2).

WORD OF ENCOURAGEMENT

When I was born again my spirit was change. Not my body or my soul. God see me in the spirit, and relates to me in the spirit. Even when I mess up my spirit is sealed. He showed me who I am, and what I have. We are the focus in which God created us. Notice that God created us last because he created all this stuff for us. So that the provision would already be available.

The Lord didn't rest in the sense that He was tired. His creation was so perfect that there was nothing left to do. It's like a painter rests from his painting because another brush stroke would be too much. A lawyer rests her case because she's done all that she can do. Likewise, God rested because everything had been created perfectly and in such a fashion that it didn't need any maintenance.

The Lord didn't just create grass and trees; He created them with the ability to reproduce. That means He hasn't created grasses and trees since the original creation. He has been at rest. He created animals and people with the ability to reproduce. He hasn't been creating animals and people since. He gave us the ability to reproduce. He is at rest because You Already Have it in you!
